[1] To the extent Mint Holdings or the Government intend to present witness testimony, *see* 21 U.S.C. § 853(n)(5), the Court, in an effort to decrease the burden on any witnesses who may be traveling from afar and in an effort to decrease the potential need for a continuance in this eight-year old case, notes its willingness to receive witness testimony via video conference. If a party intends to present witness testimony via video conference, the party shall contact the Clerk by June 12, 2017, to arrange for video conferencing.
